## One Gift. One Community.

We have all heard the folktale of Stone Soup, where hungry travelers with just a soup pot and a stone convince villagers to each contribute a bit of something to the pot, which then feeds the entire village. The story's theme is making something significant by accumulating lots of small contributions and is a lesson in the benefits of cooperation.

United Way acts like the stone soup pot. We ask you to donate to our "Community Pot" and the results of all your contributions fund local non-profit programs helping thousands of your southern Chester County neighbors each year.

Thank you to the 1,748 residents who donated to United Way of Southern Chester County's "Community Impact Pot" last fall and spring. It allows us to "feed" \$930,000 to 29 programs at 20 local agencies and help our neighbors in need.

Join the most effective non-profit in our area impacting more than 13,000 lives. If you haven't contributed in the past, please make a contribution to our "soup pot".

# Value Adds...UWSCC does more than just raise and distribute money!

## **WE TRAIN AGENCIES...**

A lesser-known part of UWSCC's mission is to provide local non-profit agencies with needed financial, professional, and strategic support. We do this one-on-one and, each year, UWSCC's Mentoring Agencies Committee creates a free workshop for area non-profits on an organizational development topic.

In July, 2015, 36 people from 20+ local agencies attended a workshop on "Growing the Impact of your Social Media Presence" and gave it rave reviews...

*"Excellent informative presenters"*

*"Very practical information (and applicable)"*

## **WE DEVELOP ANSWERS TO UNMET NEEDS...**

For years, our largest unmet need in southern Chester County has been our lack of shelters for the homeless. UWSCC spent the last 3 years working with community volunteers on developing our own unique answer to this need.

We helped start the area's newest non-profit – Family Promise – and acted as its fiscal sponsor until they received their IRS-approved status. UWSCC also was this agency's first operational funder.

*"United Way was with us every step of the way. We couldn't have asked for a more supportive partner," said Sue Minarchi, Executive Director of Family Promise SCC.*
